

**APPOINTMENT OF MR. JOEY VACCARO, CA
AS CHIEF FINANCIAL OFFICER**

Repentigny, Quebec - April 5th, 2010 – CT-Payment inc. is pleased to announce the appointment of Mr. Joey Vaccaro as Chief Financial Officer.

Mr. Vaccaro possesses over 20 years executive experience in strategic planning, sales and marketing, corporate finance, operations and human resource management

Mr. Vaccaro commenced his career with the international accounting firm of Ernst & Young. During his ten years with Ernst & Young, M. Vaccaro developed strong technical skills in the areas of finance and taxation. Mr. Vaccaro's technical skills are complimented by solid industry experience including corporate restructuring and directing international operations. He successfully structured international joint ventures and acquisitions during his twelve year career at Trueline Corporation.

Finally, over the last 2 years, Mr. Vaccaro has acquired expertise in the payment, loyalty and technology solutions industry and was instrumental in structuring and closing major transactions with banks and retailers in North America.

Joey Vaccaro's broad-based experience will contribute to the continued growth and success of CT-Payment.

About CT-Payment

Born from Central Tax Inc., which was founded in 2002, CT-Payment is a new company which operates in two domains: the electronic processing of debit and credit card payments, and the management and payment of property taxes. CT-Payment's objective is, for both these fields, to centralize and standardize the processing of transactions in a secure, stable, reliable, and high-performance environment.
